ROAR: HOW TO THRIVE IN DISRUPTIVE TIMES

Have you thought about how resilient you are? Do you have the skills to stand firm in the face of disruption? How effectively does your team respond to the stress, demands and pressures of the dynamic global marketplace? Is your organization agile and adaptive enough to withstand inevitable change, crisis and uncertainty?

These questions can lead you to building more resilient human capital, operations and strategy to remain relevant. As a leader developing a systematic approach to building resilience is essential to your success.

What if as you cultivate more resilience, you inspire improved performance to attract and retain the best talent while boosting financial results? Based on the bestseller, *ROAR: How to Build a Resilient Organization The World Famous San Diego Zoo Way*, Sandy Asch will uncover the power of building Resilience at Work™ in this high-content, high-participation session.

Using real world case studies from Best Places to Work, you will learn how to create massive stakeholder value to drive engagement and performance.

PARTICIPANTS IN ROAR WILL:

- Discover the 5 key competencies to building resilience
- Explore the 3 unique attributes of resilient leaders
- Understand the power of “Ubuntu”
- Develop a personal action plan to ROAR with purpose and passion
