## PARTNER, ALLIANCE FOR ORGANIZATIONAL EXCELLENCE LLC, A GLOBAL CONSULTING COMPANY

Eric Marin has worked in the Management Consulting industry for more than 22 years in the domestic and international arenas. During this time, he has sat on public and not-for-profit boards and has served in various executive positions, overseeing strategy, governance, compliance, organizational effectiveness, and operational performance.

He is a proven leader with a track record of successfully helping mid-size and Fortune 100 companies reduce costs, improve financial performance, create organizational efficiencies, build first-class organizations and first-class teams, and address significant business issues.

In his role as Partner for Accenture, he built and managed a \$45MM book of business and led management consulting services in merger and acquisitions (M&A), strategy development, Information Technology (IT) and process integration, operational improvement, organizational effectiveness, and human capital development.

Eric has published articles on M&A and IT and has spoken on these topics at various conferences. He also is an adjunct professor at the University of Houston, where he teaches courses on entrepreneurship and consulting.

Eric speaks English and Spanish and holds a Bachelor of Science in Computer Science and a Masters of Business Administration in Finance.

### ABOUT ALLIANCE FOR ORGANIZATIONAL EXCELLENCE

At the foundation of our processes is a set of core principles – principles that create the context for excellence. These principles form a code of conduct where integrity, impeccability of the word, accountability, focused action, win-win relationships, balance and fun are ‘business as usual’. The bottom line: improved results!
